A decorative image on the left side of the slide featuring various pastries and fruit. It includes a pink round pastry with red sprinkles, a yellow rose-shaped pastry, a golden spoon with a red jam-like filling, a silver spoon with a pink swirl, and a slice of blood orange. The background is white with some red sprinkles.

CSR (Corporate Social Responsibility) *commitments*

Our CSR policy is build up on 3 axes.

- **The economic dimension**

- Commitment to restaurants to support their development
- Recipes improvement for a clearer and less sweet ingredients list
- Selection of exceptional raw materials and partnership with our suppliers (fresh milk form the farm, fruit cooperatives)

- **The social dimension**

- Support for the professional retraining of our employees
- Highlighting our handmade know-how
- Taste education (internal tasting) and school workshops during the « Tasting Week »

- **The environment and corporate dimension**

- Digital development to limit carbon footprint
- Waste monitoring and control (0 paper)
- Food donations to local associations and support to sports associations
